

I am writing to ask you not to displace K-LOVE by an LPFM broadcaster. Although we have moved to a city which does not broadcast K-LOVE we still continue to support them financially. My husband and I want our children to grow up in a place where there are at least a few positive choices of entertainment. There is enough junk media that comes through loud and clear and the last thing we need is to reduce the amount of encouraging media that is out there. We strongly believe in the mission of K-LOVE and will continue to support them as long as they are in business. Please keep them coming through the airwaves loud and strong.
